RULES OF THE BUS IMPORTANT!

PLEASE READ:

These rules are designed for passenger and driver safety and for the efficient performance of the CCPT bus system. If you fail to comply with any of the following rules, the bus driver has the authority to ask you to leave the bus and/or deny you admittance to the bus. If you refuse to leave the bus when asked by the driver, the police will be called.

1. BE SAFE.

Use caution around CCPT vehicles. Unlike stopped school buses, NYS law allows drivers to pass public transit vehicles. A driver may not see you if you are trying to cross the road near a large vehicle such as a bus. Please wait for the CCPT bus to depart before crossing the road. CCPT drivers WILL NOT wave you across.

Board the bus in an orderly fashion. Do not push or shove others or walk into the road in front of the bus. Do not hit or bang on the bus. Do not throw anything at the bus.

Be safe. Do not try to move about the bus while it is in motion. Do not unnecessarily distract the driver. This includes unnecessary chatting with the driver or arguing with other passengers. Do not scream, yell, throw anything, or create loud noises. Do not play music unless

you are using headphones with the volume low so nobody else will hear it. Do not throw any objects while on the bus or cause any objects or body limbs to go out the bus windows.

Be sanitary. No smoking, eating, or drinking is allowed on the bus. Do not litter on the bus. Do not board the bus if you have exposed wounds; bodily emissions and exposed bodily fluids are not allowed on the bus. Do not perform any personal hygiene tasks while on the bus.

Be courteous. Follow the drivers' instructions; they are for everyone's safety. Illegal activities, gambling, disorderly conduct, and vandalism are not allowed on the bus. Respect other passengers. Offensive language is not allowed on the bus. Solicitation of goods or services is not allowed on the bus.

2. TRAVEL LIGHT. With the exception of foldable strollers, you may not bring more bags or personal items onto the bus than you can fit on your lap while seated. CCPT drivers cannot help load or unload your groceries or other personal items. For safety reasons, bicycles may not be stored inside the bus. We are making every effort to equip all our vehicles with exterior bike racks. Use of our bike racks is free of charge.

Items prohibited: Firearms, knives, and other weapons are not allowed on the bus. Do not bring used syringes,

illegal drugs, open containers of alcohol, car batteries, flammable liquids, or any other potentially dangerous item onto the bus. Do not bring trash or items for recycling onto the bus. Except for service animals protected under the ADA, you may not bring an animal onto the bus unless it is kept in a pet carrier small enough to fit in your lap.

Items protected: Service animals will not be denied admittance onto a transit bus -unless the animal is out of control- and no extra charge will be made for the service animal. Oxygen tanks for personal medical use will be transported, however if the oxygen tank cannot be properly secured per USDOT guidelines, then the passenger may be denied transportation for safety reasons.

3. FARE IS MANDATORY. Passengers must pay the appropriate fare EACH time they board the bus, and if they stay on a bus that begins a different route or service. For example, if a passenger paid \$2 to board the “Lyon Mountain” route in Cadyville and the passenger wants to stay on the bus when the bus changes to the “Clayburg” route at the Government Center, they must put \$2 more into the farebox. Exceptions: A personal care attendant (PCA), someone who is riding the bus for the sole purpose of assisting another passenger who has a disability and who is also traveling together with this other passenger between the same points, will not be charged a fare.

Passengers must provide their own PCA. Passengers moving from one bus to another must pay the fare if boarding a new route. Another exception is when a passenger changes buses to stay on the same route because of a driver shift change; in such situations no fare is charged to stay on the same route. The driver ending their shift will radio the driver beginning their shift to let them know about the passengers changing buses but not changing routes. Please have the exact change for passes and fares as the drivers cannot make change.

CCPT FARES, TOKENS, AND PASSES

Only cash, CCPT tokens, and CCPT passes are accepted on CCPT buses; NO CHECKS OR CREDIT CARDS.

“City” Fares: \$1.00 for trips on regular routes (NOT Rural Zone Service) completely (beginning and ending) within the “City” Fare Zone (please see the map on page 5). The Senior Discount Card reduces this fare to 50 cents. Trips on the Bluff Point Seasonal, Express Shuttle, South Connector, Uptown Downtown, and West End routes always use the “City” fare (plus a deviation surcharge if a deviation is requested).

“Rural” Fares: \$2.00 for trips on regular routes (NOT Rural Zone Service) beginning and/or ending outside of the “City” Fare Zone. The Senior Discount Card reduces this fare to \$1.00.

Deviation Surcharge: Call 518-561-1452 the day before or up to two weeks ahead to have the bus pick you up or drop you off within 3/4 mile of a bus route. Deviation requests for Monday must be made before 5:00 PM on the previous Friday at the latest. There is a cost of **\$1.00** for the deviation which is in addition to the regular fare (“City” or “Rural”). The Senior Discount Card reduces this additional cost to 50 cents.

Rural Zone Service Fare: \$5.00 regardless of pick-up location. Seniors showing proof of being 60 years of age

or older will have their fare for the Rural Zone Service covered by Clinton County Office for the Aging.

Children under six years of age must be accompanied by an adult. **A fare is not charged for children under six years old** but the appropriate fare is charged for the adult.

Specials: Travel completely within a hamlet is charged the “City” Fare even though it is outside the “City” Fare Zone. (Example: Lyon Mountain Post Office to 2nd Street in Lyon Mountain.)

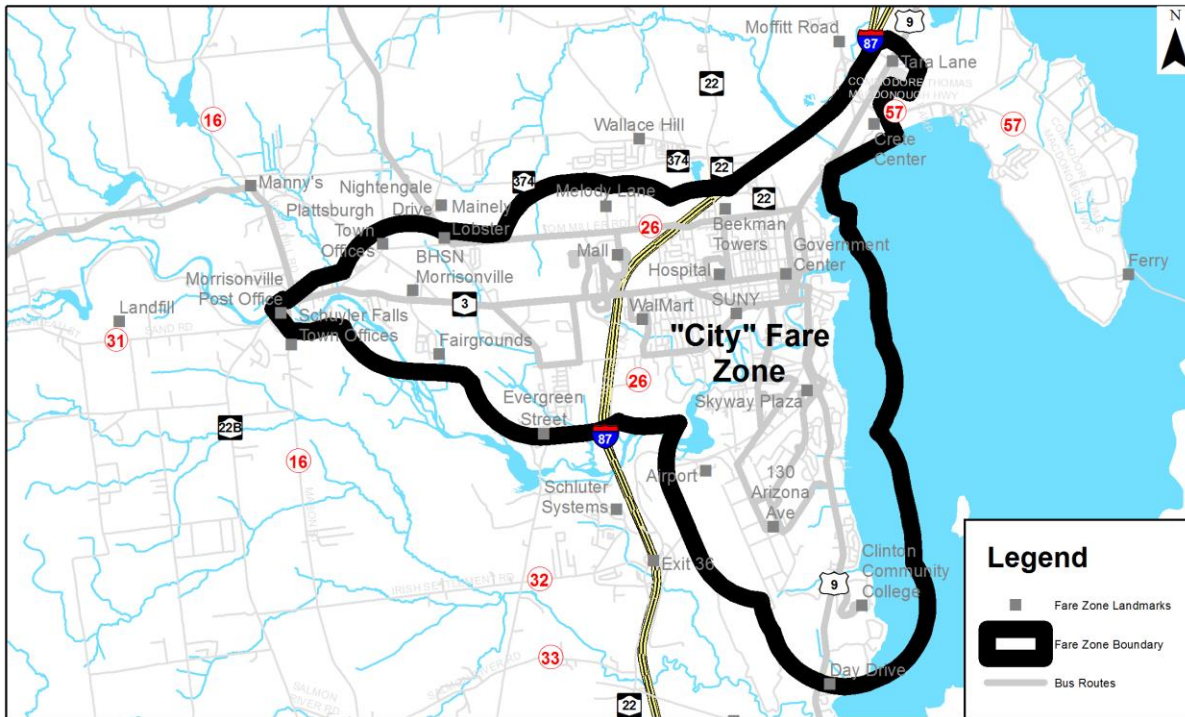

Tokens: CCPT bus tokens are each worth \$1 toward fares.

Commuter Passes can be purchased for \$10 and have twenty-two \$0.50 boxes which can be used toward fares. Commuter Passes can be purchased on the buses or at the Clinton County Planning Department; 135 Margaret Street.

Student Passes can be purchased by students for \$20 and cover unlimited regular fares (“City” and “Rural”) for a calendar month. Student Passes DO NOT cover Deviation Surcharges or Rural Zone fares.

Day Passes can be purchased from drivers. The Day Pass covers unlimited “City” Fares for a single calendar day. Day Passes DO NOT cover deviation surcharges, “Rural” Fares, or Rural Zone Service fares. The Day Pass costs **\$2.00**. This Senior Discount Card reduces this cost

to \$1.00.

Bus Schedules and other printed materials are available in larger print upon request by contacting the Clinton County Planning Office at (518) 565-4713.

Additional details on CCPT services and policies can be found in CCPT's Rider's Guide which is available on the buses, in the Clinton County Planning Office, and on the CCPT website: www.clintoncountypublictransit.com

Accessibility: All CCPT buses are equipped with wheelchair lifts. Any passenger who would prefer to use the wheelchair lift instead of the stairs can do so. Ask the driver and they will operate the wheelchair lift.

CCPT drivers announce the names of scheduled stops.

Individuals with hearing impairments may contact CCPT by using the TDD relay by calling 1 (800) 662-1220.

Mobility Devices: For safety, all mobility devices such as wheelchairs, scooters, rollators, and walkers must be secured by using the bus's securement system, regardless of whether the device is occupied or not. (Neither a passenger or their mobility device will be denied transportation if the device cannot be secured. A passenger can be denied transportation if they refuse to allow their mobility device to be secured.)

We recommend, but do not require, a passenger sitting in a mobility device to make use of the lap belt and shoulder harness seatbelt available in the securement station. If

you would like assistance with the seatbelt you may ask the bus driver to assist you.

For safety we request, but do not require, a passenger using a three-wheel scooter to transfer to a regular seat if they are reasonably able.

Please reserve the front seats for seniors and passengers with disabilities. You may be asked, but not required, to give up your seat as a courtesy to another passenger.

HOLIDAYS

CCPT routes DO NOT operate on the following holidays: New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, and December 25th (Except for the South Connector and Bluff Point Seasonal routes which operate on Labor Day if Clinton Community College classes are in session). CCPT typically ends service early on December 24th and New Year's Eve. Flyers are posted on the buses with the end of service times.

TAKING THE BUS

Please be early to catch your bus and wait visibly where the bus stops. If you are unsure where to wait for the bus, call (518) 561-1452 to ask.

Please keep in mind that the times listed in the schedule are our best estimates; circumstances including traffic and weather can affect the actual time the bus arrives. Buses are not allowed to leave a stop early. The driver goes by the clock on the bus, which may not match your timepiece. Please be early at your stop to make sure you do not miss your bus.

Traveling Tips: Check the destination sign or ask the driver to ensure you have the correct bus. Dress for the weather. If you are riding the bus near dawn or dusk or after dark, wear light colored clothing and carry a reflector

or flashlight so that the driver can see you. Keep a bus schedule with you.

Flag Stops: CCPT buses can be waived down. The bus will stop anywhere along its route as long as it is safe to do so. This is called a “flag stop”. If you are worried the driver may not see you, call (518) 561-1452 so dispatch can radio the driver to let them know to look for you. The deviation surcharge is not charged for performing Flag stops.

“UR” Upon Request Stops: Some CCPT routes include Upon Request or “UR” stops. These stops are only performed if requested by a passenger. Unlike a Flag stop which is along the route, a UR stop typically involves pulling into a parking lot that the bus would not otherwise pull into. The deviation surcharge is not charged for performing UR stops. When you board the bus, let the driver know which UR stop you want to get dropped off at. Or if you need to be picked up at a UR stop, call CCPT at (518) 561-1452. For a UR pick-up on Saturday, make sure to call CCPT Dispatch before 5:00 PM on Friday at the latest.

In all situations, the bus driver will not put the bus in an unsafe position or a place where it may become stuck in the snow or the mud. It may not be possible to safely park the bus as close to the entrance of a building, or other

particular location, as the passenger would like. The passenger may have to traverse a driveway, a road, a parking lot, a city block, etc. to get between the bus and their location/destination.
